What's the Alliance Française ?

The Alliance Française de Malte-Méditerranée is part of a network of over 830 Alliances Françaises spread across more than 130 countries in the world.

The main objective of the Alliance Française is to promote the French language and disseminate French culture through various courses and activities !

With the support of the French Ministry of Foreign Affairs, the Foundation Alliance Française and the Embassy of France in Malta, the Alliance Française has established itself over the years as the linguistic and cultural reference for the francophone world in Malta.

Our courses offer

One of the main aims of the Alliance Française is the promotion of the French language. This is done through various courses held throughout the year for a wide ranged public. Our courses cater for young children from the age of 5, adolescents learning French at school and adults who require knowledge of French for both personal and professional reasons.

What's new this summer ?

Our **courses for teenagers** will be **hybrid courses**: one lesson face-to-face, at the Alliance Française, and the second lesson of the week done Live remotely on our *Microsoft Teams* platform!

We chose this special setting in order to accompany our students with the most active and effective learning, while also respecting a strict sanitary protocol. The objective is **to combine the practicality and benefits of online courses with the support of in-person courses**, to create a **group dynamic** and a **better learning atmosphere** !
